

MEN'S STUDY PLAN

An 18-Month Guide for What to Study Next

We hope the following study plan is helpful guide for your group, but know that following it is optional. This list suggests studies for which the video content is available free on the Anthology app, but feel free to substitute other studies whenever your group prefers.

COMMUNITY: STARTING WELL

PARTS: 8

SPEAKER: MULTIPLE SPEAKERS

Your group members bring their own expectations to your gatherings—from why they joined the group to what they want to study. So getting every group member on the same page at the beginning of your time together will set you up for success. In fact, we've found that groups that begin with this study have higher commitments from group members over time.

FATHERING ON PURPOSE

PARTS: 3

SPEAKER: JOHN WOODALL

Attention Dads: This is a must-see message about the risks of being unintentional with your kids.

CLIMATE CHANGE

PARTS: 2

SPEAKER: JEFF HENDERSON

PREPARE. TO. BE. CHALLENGED. If taken seriously, this 2-part study will bring about a new level of self-awareness and empathy, which has the potential to strengthen (and heal) your relationships.

ANTHOLOGY

SEVEN QUESTIONS THAT RATTLE IN THE MINDS OF MOST MEN

PARTS: 7
SPEAKER: JOHN WOODALL

This study has been instrumental at North Point in reaching men who wouldn't typically be interested in joining a community. It can be used in a men's group, for the men in a married couples' group, in a large-group teaching setting, or for individual mentoring. It provides helpful exercises and some practical next steps.

GENTLEMEN'S CLUB

(FROM THE STUDY: NEW RULES FOR LOVE, SEX, & DATING)
PARTS: 1
SPEAKER: ANDY STANLEY

This message looks at two common ways a woman's worth is undermined, and it's talk you won't expect to hear from a pastor. It gives men two action steps and gives women a clear standard of behavior they should expect from the men in their lives.

DREAM JOB

PARTS: 1
SPEAKER: JEFF HENDERSON

Attention Dads: This is a must-see message about the risks of being unintentional with your kids.

KILLIN' IT

PARTS: 3
SPEAKER: ANDY STANLEY

Beyond Bible study circles, Killin' It offers powerful leadership principles that can be used in the home or in the workplace. Consider this study for your next staff meeting, management team retreat, or volunteer event.

SUCCESS

(FROM THE SERIES: SEE THE WORLD)
PARTS: 1
SPEAKER: ADAM JOHNSON

Equally impactful for Bible study groups and business professionals, this 1-part study will have you uncover and rethink some of your core beliefs about what it means to be successful.

ANTHOLOGY

PACE

PARTS: 1

SPEAKER: BILLY PHENIX

Carve an hour out of your hectic schedule to watch this 1-part study. It will have you examine what your busyness is really costing you.

STARTING OVER

PARTS: 4

SPEAKER: ANDY STANLEY

Failing and trying again isn't a religious concept. It's common to all human experience. So the material in this series is applicable whether everyone in your group is a Christian or not. And because it dives into past experiences from which you had to or would like to start over, these messages help group members share and discuss parts of their personal stories.
